
2023 ANNUAL DRY-UP NOTIFICATION

Buckeye Water Conservation and Drainage District's annual dry-up will occur from November 3rd through November 19th 2023 for our main canal, and November 22nd through December 10th 2023 for the South Extension. This is our time to do all repairs and work as needed to keep the canal running efficiently as possible for the next year. There will be no water delivered during these dates.

The last day of scheduled deliveries for the main canal will be November 2nd. The last day of scheduled deliveries for the South Extension will be November 21st.

Delivery will resume on the main canal on November 20th at 6:00 AM, and water delivery on the south extension will resume on December 11th at 6:00 AM.

We appreciate your patience during this time of the year.

Thank you

Adam Hardin | Water Master
